### Kurt Powell

#### DIRECTOR

Mr. Powell provides financial advisory services to healthcare clients throughout the Southeast, using experience accumulated from over 18 years of experience and completion of over \$10 billion of financings ranging from large, multi-site healthcare systems to small, community-based providers. In his role, Mr. Powell assists clients with a wide array of both capital planning and debt related activities, whether through private and public market transactions or with the utilization of risk management strategies. He provides plans of finance, debt capacity modeling, development of rating agency and investor strategies, and has expertise in development and implementation of analytical and strategic tools for the capital planning process.

Prior to joining First Tryon Securities, Mr. Powell spent his career working in the healthcare public finance investment banking groups at Bank of America Merrill Lynch and Wells Fargo Securities. Mr. Powell holds a MBA and Masters of International

Mr. Powell is a Registered Representative of the Financial Industry Regulatory Authority and maintains his Municipal Advisor Representative License (Series 50), Municipal Securities Representative License (Series 52), Municipal Securities Principals License (Series 53), Uniform Securities Agent License (Series 63) and Investment Banking Representative License (Series 79).
