

Tina does Accounts Payable and Financial Analysis at a Fertility Clinic. She pays the bills for 9 different offices and maintains the spreadsheet that calculates the monthly partner payments.

Tina previously worked at Bank of America for 16 years. She worked in back-office accounting to the securities floor, real estate operations, real estate finance, consumer finance support and consumer analysis. Tina also worked at Carolinas Healthcare System for 3 years doing the accounting and reporting for the practices in the system, including calculating the doctor's bonuses.

Tina received her Bachelor's in Finance and Economics from the University of Dayton in Dayton, OH. Tina grew up in Pittsburgh, PA but has lived in Charlotte since 1997. She lives with her husband Corey and their 2 sons, Corbin and Eli. Corbin started at The John

Crosland School as a 2nd grader in the 2018-19 school year. Eli is 2 years younger and attends Dilworth Elementary School. Their family likes to camp, go to the beach, travel and visit family in their free time.
